

Communist Party of Great Britain (Marxist-Leninist)

Fighting for communism – the future that works!

About the CPGB-ML

An understanding of society (theory) and a way of uniting to change it (organisation) are the two things that we need to make a socialist revolution. Ordinary people in Britain have everything to gain by getting involved in this process sooner rather than later. This world isn't working for us and we deserve better!

Not only do we need to campaign against the bad conditions and lack of prospects for working-class people in Britain today, but we need to work for a completely different type of society – one where people's needs decide everything.

So many problems face this world: environmental catastrophe, poverty, disease, racism and war. They'll never be

solved while capitalism remains, but they could all be sorted if society was set up for the benefit of the majority rather than the private gain of a few billionaires.

Our party is different because we consistently apply Marxist science to all areas of our work, and we're not scared to tell it how it is. We refuse to be intimidated by the barrage of lying propaganda that fills Britain's mainstream media. It is the capitalists' job to try to stop us from building a socialist society; it is our job to do it anyway!

Challenge your ideas – challenge their propaganda – seek the truth – serve the people – change the world!

Haringey: Save our homes and communities!

March and protest: Tuesday 14 February

Assemble: 5pm Ducketts Common (Turnpike Lane Tube)

Rally: 6pm Haringey Civic Centre

Haringey's Labour council is planning to give away land, on which a huge number of homes, community facilities, and shops stand, to a private developer. The Haringey Development Vehicle, supposedly a joint venture between the council and the developer, would in reality be a facade for the interests of the private developer. This policy would lead to a huge loss of genuinely affordable housing in Haringey, and yet more ordinary families being forced out of the borough and away from their family, friends, and jobs.

The Labour council has betrayed the people of Haringey, for example, by promising social rents in public while admitting in private that there is no such guarantee. The Labour Party only cares about the interests of the rich, Labour councils across London and Britain have proven this time and again by slashing social spending and privatising public property and services.

People of Haringey: unite to defeat our enemies in the Labour party and stop the destruction of our communities!
